SOCALM Library

Some of the members may not be aware that SOCALM has a library. There are several reference items available to members for their use. We have factory repair manuals for model years 1990, 91, and 92. An enthusiast manual for the early (1600cc) cars, along with suggested repair times manuals for 1995 cars.

If you are thinking of planning a run, but are a little reluctant because you've never done it before, there is an excellent manual available to walk you through the process. Back issues of Miata Magazine to Winter of 1992 are available.

We have a full set of past issues of *The Reward*, thanks to Bill Strohm who donated his collection.

There are also some items that may be helpful, such as 2 portable CB radios for use on runs. A G-Tech meter for measuring acceleration, horsepower and cornering G's. A trunk-mounted luggage rack is available to use on a long trip.

These items are here for the use of any SOCALM member in good standing. Just contact club librarian Bill Bryant at (909) 595-1974 or librarian@socialm.org to make arrangements.

You Won't Be Board At This Meeting

by Bob Davis

You shouldn't be taking the time to read this.... you've got to get ready for the So-calm Holiday Party tonight, 12/1, at the Newport Beach Tennis Club!! Hopefully you pre-registered with Bari and are attending this gala party as I'm quite certain that it will be a lot of fun. And, don't forget to let Hal know that you're planning on attending his Celestial Lights Run next Saturday evening (12/8).....it's always a great event, and this time we get to give our "Best Wishes" to Hal & Terry for their upcoming nuptials (the very next day, I believe) followed by a honeymoon to Hawaii. Good Luck to both of you!

Our next big event is the annual general meeting and elections, to be held on January 12th at Mazda headquarters. It appears that this will be a **VERY FULL** meeting, so don't attend expecting to eat, vote, win a raffle prize and leave in an hour. We've got lots to present and discuss.

At our last board meeting, Julie O'Shea presented some information regarding pins (for hats, shirts, trading, etc.) and provided samples of ones she and her late husband, Mike, had made for Socalm 10-13 years ago. We are considering purchasing a large quantity with the idea of providing one free with each membership, and selling the others for a nominal price. There was much discussion regarding the pin design.....retain the original or go with a "fresher" look. These ideas will be presented at the general meeting for you to consider and vote upon.

Also, a significant increase in the cost of providing the online calendar by the current vendor, as well as an antiquated data base which has made the membership coordinator's workload unnecessarily cumbersome, has prompted Lisa, our webmaster, to investigate updating our database. She was given the go-ahead by the board at the last meeting and, hopefully, will be able to give a visual presentation at the general meeting showing off the numerous bells and whistles included with the new system.

**"You shouldn't
be taking the
time to read
this..."**

Additionally, you may remember a simple request several weeks ago by Barry Rosenberg for nominations from the general membership for members worthy of special recognition for their club-related efforts. This task was accepted by Barry and has no "strings" attached. That is, no one on the board has any influence whatsoever as to how Barry goes about choosing people for recognition, what form the recognition takes, or even a limit on the number of people. We wanted to give him (and his team if he so chooses) the opportunity to truly search out and honor those deserving members at this general meeting, and, as we hope to continue this concept every year, your name may come up this year, or next, or.....

You may also remember the great job that Bud did last year of gathering together some fantastic items for our general meeting raffle. Well, in addition to soliciting items from various vendors, Bud has been given a budget of \$1,000 to purchase some special items to be offered in the raffle. Just how lucky are you???

Combine all of the above with the usual report requirements, voting for the 2008 officers and area representatives, and filling in the club calendar (my personal favorite activity each January) for the coming year, and I anticipate that this meeting with quite long, but certainly informative, enjoyable, and, hopefully, quite lucky for many of you. See you there!!!

(Continued from page 1)

the holiday spirit after the Celestial Lights Run, you can BE A PART OF the parade.

The El Segundo 44th Annual Holiday Parade takes place on Sunday December 9th and starts at 1:00 P.M. El Segundo is a small town located in the South Bay. We hold a small town parade here. The Boy Scouts (cordless drill team), Girl Scouts, Pop Warner Football and Cheerleaders, baton twirlers, Little League, horse teams, Shriners, preschools, barber shop quartets, junior high and high school bands, along with various businesses have participated in the past and are all expected back this year. This year's theme is "Babes in Toyland".

The chamber of commerce claims that 5000 people attend this parade each year.

Even though this is a driving club, this will be the shortest and SLOWEST run that you will ever participate in. Following the parade, we will meet at a restaurant to recap the harrowing experiences that we had at top speeds of seven miles per hour driving down the middle of the yellow line.

Here are the run directions:

- 1) Zero out your odometers and line up on Imperial Avenue
- 2) 0.1 turn LEFT on Main
- 3) 2.1 Parade ends at Main and El Segundo
- 4) Drive to as of yet unselected restaurant

Here are the rules for entries into the parade:

- 1) You are encouraged to decorate your entry (car) based upon the theme of the parade and/or holiday season.
- 2) All designs and entries should be suitable for family viewing.
- 3) Please do NOT use a representative in a Santa costume. Santa ALWAYS rides on the Chevron Fire Truck at the end of the parade. We would not want children to be confused by seeing more than one Santa.
- 4) Commercial advertising is prohibited, but two banners or signs (maximum size 6' X 2') may be placed on two sides of the entry to acknowledge sponsoring companies/organizations.
- 5) Candy or other items may NOT be thrown from a car/van/float, etc. If items are to be distributed, then you may have members of your group (read that as "passenger") walk along side the crowd at the curb and hand them out.

This is a FUN event where you can drive slowly and show off your cars to the parade goers.

At least ONE car (mine) will be in the parade. Won't you join me? I need to submit the parade entry by December 1st and I would like to know how many cars to submit on the entry form.

Please send me an email (southbay@socalm.org) if you would like to participate or leave me a message at 310-341-0346.
